Walk From Obesity - In September and October 2006, in cities all across America, obesity sufferers and survivors alike will be joining forces and walking to raise money for research, education, prevention and treatment of the life-threatening disease of obesity. Whether you suffer from this disease or not, we hope you'll join us. Many will be walking on behalf of those unable to do so, because obesity has stolen their mobility, dignity, and hope.

The ASBS Foundation's Walk from Obesity was established to give hope to those needing it most. Walkers raise money by asking friends, family, and co-workers to sponsor them. In addition to walker income, funds are raised through sponsorship, matching gifts, corporate contributions, and other fundraising activities.

The funds raised through this event will support the ASBS Foundation's educational mission by:

* Increasing research funding specifically for morbid obesity
* Improving obesity awareness and reducing its associated discrimination
* Increasing public education about this devastating disease
* Increasing professional education concerning effective treatments of the disease

Oct. 7 - Oct. 5 - Murray
Arthritis Walk - The Arthritis Foundation is calling for people to take action against arthritis by participating in the 2006 Arthritis Walk. The annual nationwide event raises funds and awareness to fight arthritis, the nation's leading cause of disability. The Salt Lake City Arthritis Walk will take place on Saturday, October 7th at Wheeler Farm. To get involved or form a walk team, visit www.arthritis.org or call 801-536-0990.
Arthritis or chronic joint symptoms are more widespread than imagined, affecting 66 million Americans, or one out of three adults and approximately 300,000 children. Here in Utah, arthritis affects more than 383,000 people.
"The Arthritis Foundation is here to help people with arthritis take a more active role in managing their disease. Participating in the Arthritis Walk can be a first step toward the healthy lifestyle that may help prevent or control arthritis," said John H. Klippel, M.D., president and CEO of the Arthritis Foundation.
There are more than 400 local Arthritis Walks, each featuring a three-mile and one-mile course. Participants can walk for a friend or a family member with arthritis, while people with arthritis wear blue hats to signify they are walking to take control of their arthritis. In many areas, pet owners are invited to bring their leashed dogs to walk with them at the event.
In 2005, more than 75,000 walkers participated and helped raise money to directly support critical arthritis research, health education and government advocacy efforts to help people take greater control of arthritis.
The national presenting sponsor for the Arthritis Foundation Arthritis Walk is Aleve®, marketed by Bayer Consumer Care. Other national sponsors include Nature Made® TripleFlex™, Pfizer Animal Health Rimadyl and Arthritis Today magazine.
The Arthritis Foundation is the only nationwide, not-for-profit health organization helping people take greater control of arthritis by leading efforts to prevent, control and cure arthritis and related diseases -- the nation's number one cause of disability. For more information on arthritis, to volunteer or to form an Arthritis Walk team, visit www.arthritis.org or call 801-536-0990.

"Wacky Witch's Wedding" Halloween Comedy Mystery Dinner Theater - Hunt Mysteries will present its Halloween Comedy Murder Mystery Dinner Theater presentation of "A Wacky Witch's Wedding" Oct. 6th through 30th in Logan, Ogden and Salt Lake City.
Once a century, on Halloween night, the Witches Coven gathers for a wild and wacky witch's wedding. On that night, a trio of witches brews a potion so powerful that the unbelievable happens! Then the fun begins as they use the potion, with a few added ingredients, to conjure up an everlasting soul mate – one fit for the coven's only eligible young witch. But something goes wrong – as they often do when mysteries unfold: Has the potion been properly prepared? Is there someone festering the festivities? Will the wedding come off without a witch? Characters include Gigi Gomez, the young and eligible witch who awaits her special groom; Nerva Gomez, Gigi's mother who'll stop at nothing to make her daughter happy; Hazel Witch, Gigi's aunt and Nerva's sister, who sometimes gets things mixed up; Poison Ivy, who says she's what every warlock and man wants; Adam Gomez, the family patriarch who once had eyes for Poison Ivy; and Drack Gomez, Adam's off-kilter brother who is always ready for a good drink.

Castle of Chaos - Castle of Chaos will be raising money for the Intermountain Burn Camp for Kids, as we have done every year. The Burn Camp is operated by the University of Utah Hospital, and the money raised will help fund the summer camps at Camp Tracy for young burn survivors, (8 - 12) and the yearly Green River rafting trip for teenage burn survivors (13-18). The money raised has an immediate and important effect in the lives of these young people, giving them the chance to play and interact with others kids who are able to understand the challenges and daily problems that come from being a burn survivor.

As another way to promote fire safety and burn prevention, Castle of Chaos has safety information for every patron that attends. Castle of Chaos also gives free tickets to Professional Fire Fighters, as another way to thank them for their service on the community's behalf.

In addition to supporting the Intermountain Burn Camp, Castle donates money directly to the high school drama departments whose volunteers make our Halloween event possible. Over the past few years Castle of Chaos has donated thousands of dollars back to the schools who support us, helping drama departments fund their productions just as their students helped produce ours.
