Riding the Greatest Snow On Earth is pretty incredible.
Especially when it melts.

Colorado River

COME EXPERIENCE THE SNOW IN LIQUID FORM. WITH OVER 500 INCHES OF ANNUAL SNOW FILLING OUR RIVERS, IT'S NO WONDER UTAH OFFERS SOME OF THE BEST WHITE WATER ACTION ANYWHERE.

- Colorado River: Some of Utah's most exhilarating rafting through red rock canyons.
- Green River: Drift through rugged canyons of outlaw history and Native American rock art.
- Cataract Canyon: Spectacular scenery in the heart of Canyonlands National Park.
