UTAH OFFICE OF TOURISM

- ❑ In the Salt Lake Valley alone there are over 40 golf courses, with 30 more less than one hour's drive from downtown.
- ❑ Course designs range from high elevation roller coaster tracks along the Wasatch foothills, staid parkland courses more than a century old, stunning lakeside courses with incredible views of snow-capped mountains and even dazzling desert courses in Southern Utah.
- ❑ The Golf Club at Thanksgiving Point, a Johnny Miller signature designed course, ranked as one of the top 10 new courses in the country by *Golf Digest* in 1997. *GolfWeek* rates it as the #1 public course in the state, and *Links Magazine* calls it one of fifteen "Hidden Gems" in the country.
- ❑ Golfers in the Park City area enjoy a phenomenon known as "ego golfing," with balls flying farther because of the altitude!
