

## Operations and Programs Highlights

### New Nonstop Route to Seoul

Delta will open a first-ever nonstop route from Salt Lake City to Seoul-Incheon Airport (ICN) on June 12, 2025 with daily, direct flights operating year round and providing seamless connections to key destinations across Asia.

### Hawaiian Airlines Launches Honolulu to Salt Lake City

The new daily direct flight will open a new gateway from Asia Pacific markets to stopover in Hawaii on their way to Utah for increased product opportunities.

### Deer Valley East Village

Phase one of the 3,700-acre East Village expansion debuted this winter with three new chairlifts, 300 skiable acres, and a handful of cut trails, along with new parking spots and the opening of Grand Hyatt Deer Valley.

### Certified Dark Sky Communities

- The cities of Moab and Castle Valley have secured certification as International Dark Sky Communities.
- Utah leads the USA in certified International Dark Sky Places with 26—the densest area of Dark Sky Places in the world.

### Rockies to the Red Rocks

Rocky Mountaineer will extend their 2025 season with 12 additional departures and trains operating from 9 April-19 November intersecting the 2024/25 ski season.

### Salt Lake City International Airport Rebuild

- In 2024, phases 3 and 4 brought 24 additional gates.
- In partnership with American Express, phase 4 brings a 16,000 sq. ft. Centurion® Lounge by the end of 2025.

### Activity Providers Updates

#### Salt Lake City Day Tours

- Southwest Adventure Tours has debuted ten new day tours out of Salt Lake City, showcasing excursions to Antelope Island, dark skies, Bonneville Salt Flats, Olympic heritage, national parks, and more.
- All tours are available in English, Dutch, German and French.

#### Via Ferrata Experiences in Kanab

Roam Outdoor Adventure expands beyond Kanab with via ferrata and rappel experiences in Caves Lakes Canyon, Zion National Park's east side, and a via ferrata experience coming soon in Coral Pink Sand Dunes State Park.

#### PC E-Bikes

Year-round electric bike tours showing the urban art and history of Park City. Now bookable through Rocky Mountain Holiday Tours.

#### Elevate Outdoors Guiding

Guided climbing, highlining and rappelling in Moab, Utah. First and only Highline guiding business in the USA.

## National Parks Updates

### Zion National Park

Zion-Mount Carmel Highway Oversized Vehicles

- Starting mid-2026, vehicles larger than 11'4" tall and 35'9" long will be rerouted to improve safety and protect resources. They'll need to access the park from alternative routes.

Angels Landing

- The last .25 miles of the hike now require a permit, available three months in advance or the day before.

### Capitol Reef National Park

Scenic Drive Rehabilitation Project

- The Scenic Drive is open with wider roads, and expanded parking featuring more accessible spaces and sidewalks.

### Bryce Canyon National Park

Oversize Vehicle Restrictions

- Vehicles 23' (7m) or longer are restricted and can only park at the Additional Parking Lot across from the Visitor Center, the Shuttle Station Parking Lot in Bryce Canyon City, or a designated shuttle stop.
- Oversized vehicles are encouraged to utilize the free shuttle (with park admission) that runs from April through mid-October.

### Arches National Park

National Park Service has implemented a timed entry reservation system from April 1 to October 31.
